

Cape Coral Historical Society's 2017~2018 Monthly Meeting Schedule

The Cape Coral Historical Society holds Monthly Meetings every year from October through April. Each meeting will feature updates on the Historical Society, and a Guest Speaker. This year is the 60th anniversary of Cape Coral, when founders Jack and Leonard Rosen broke ground in 1957 to begin their dream of a Waterfront Wonderland. In honor of this anniversary the Monthly Meetings this season will be focusing on the development and early days of Cape Coral as told by some of Cape Corals first residents and workers!

All are welcome!
