## A little history on Cultural Park and our inaugural event...

The City of Cape Coral's Cultural Park is located in the center of our city and is the home to the Cape Coral Historical Society and Museum, the Cultural Park Theatre, and the Cape Coral Art League. This park is truly unique to the Cape Coral Community for the cultural contributions it brings to the City. And that is our purpose for this event to enlighten the public about us and the culture we bring to the City with our "Celebrate the Holiday's at Cultural Park".

Our event is an open house to everyone with music and good cheer. We want our guests to feel welcomed with carolers from local schools, churches and organizations, decorations of the holiday at our buildings, Santa arriving by a fire truck and even a chance to purchase a handcrafted present. In this busy time of year, we just want to invite guests to our place for an old fashion holiday stroll. We are asking for your support to let the community know about the history of their City, where to watch a live production or learn how to paint or draw.

Cape Coral has so much to offer our residents and visitors they just need to know where to find it and with your support we can make that possible. We would love for you to make history and be a sponsor for this inaugural event but more importantly please come and be a guest of ours at Cultural Park. Of course, a true gift to all of us at Cultural Park would be if you were to do both. Our selected market are all ages from young to old. We will advertise to our community of 180,000 and its surrounding community through, TV, radio, social media, printed media, and printed materials. Also, the City has agreed to help us market our event through their social media. We are looking forward to the arrival of Santa, whom will draw a number of young families to the event. We are also working with the City to have a Holiday Card Contest for all ages with three winning cards being displayed at the event as a giant card recreated by local artists. You can trust that the Community will hear about this Celebration!

The Cape Coral Historical Society/Museum, Cultural Park Theatre and Cape Coral Art League are all 501(c) 3 not for profit agencies. Your contribution is tax deductible.

All you need to become a sponsor is to fill in the sponsor form and return it the Cape Coral Historical Museum. We appreciate your support and hope to see you at our celebration.
